

Park Development
Committee's Report

REPORT OF CHAIRMAN OF THE
PARK DEVELOPMENT COMMIT-
TEE, NARBERTH CIVIC ASSO-
CIATION, AT THE MEET-
ING OF MAY 20, 1920.

My previous reports, filed with the Association, fully set forth the cost of the land included in Narbrook Park, and of its development.

The following is a summary of the present financial condition of the Park Development Committee:

Water Installation.

This was financed by money contributed by the following: Messrs. Selfridge, Artman, Shand, Sr., Williams, Stites, Miss Gibson, Mrs. Barrie, A. J. Loos, each \$350.00, and Dr. O. J. Snyder, \$150.00; total, \$2,950.00.

The contract with the Springfield Water Company called for \$3,550. The Park Committee advanced from its general funds the remaining \$600.00. A year or so later, the Water Company refunded the sum of \$938.11, representing their overcharge on the actual cost of installation. After paying back into the treasury of the Park Committee the \$600.00 advanced, the remaining \$338.11 was distributed pro rata to the subscribers before mentioned. The remainder of the cost of installation is to be refunded by the Water Company out of water rents received from residences supplied within the Park limits. Thus far, \$250.65 has been received and distributed pro rata, and I now have in hand \$223.15, refund for 1918, not yet distributed. I am corresponding with the Water Company to obtain the refund due for 1919, which, when received, will be added to the 1918 refund, and distributed pro rata to the subscribers. The amount still due from the Water Company is \$2,138.09.

Gas Installation.

This was financed by the Park Committee out of its general funds, and, under contract, is also to be refunded as gas is consumed by Narbrook residents. The original cost was \$1,628.50; refunds made to date, \$1,065.00; balance due from Counties Gas and Electric Company, \$563.50.

Deficit and Deficit Assessment.

The amount of our deficit has been fully set forth in my previous statements. To meet the deficit in part, Mr. James Artman loaned the Committee \$2,525.19, and Mr. John B. Williams, \$812.50. A circular letter was sent to all lot owners, asking if they would each contribute \$63.39 for each lot owned by them, to make up the deficit. There were 42 lots in all. Owners of 26 lots pledged \$63.39 per lot, a total of \$1,648.14. Of this amount \$1,236.11 has been paid, and I am sending requests to the four lot holders who have pledged the remaining \$412.03 to remit.

Summary.

Due by the Civic Association:
To James Artman, balance of loan \$1,815.00
To John B. Williams, balance of loan 631.76
Subscribers to water installation 2,361.24
\$4,808.00
Due to the Civic Association:
By Springfield Water Company \$2,138.09
By Counties Gas and Electric Company.. 563.50
By Subscribers to Deficit Assessment 412.03
By A. C. Shand, Jr., on open account 74.09
3,187.71
Balance \$1,620.29
Cash on hand 459.61
Deficit \$1,160.68

Golden Wedding
Anniversary

Mr. and Mrs. G. W. Fraley, of 312 Essex avenue, parents of Mrs. Harvey Miller and Mrs. Joseph Barclay, of Narberth, and Mrs. A. J. The bride and groom were delightfully entertained with an impromptu program of vocal and instrumental music, recitations, and the remarkable dancing and postures of three-year-old Jane Reed.

CELEBRATES NINETY-SIXTH AN-
NIVERSARY—UNVEILS TABLET
TO MEMORY OF CHARLES
JONES FRYER.

The Fairview Union Sunday School, founded in May, 1824, celebrated its ninety-sixth anniversary on Sunday, May 16th. Nearly three hundred persons packed the little building to overflowing and witnessed, as a part of the exercises, the unveiling of a beautifully inscribed bronze tablet in memory of the late Charles Jones Fryer. The tablet, which was made possible by popular subscription, bears the following inscription:

In Loving Memory of
CHARLES JONES FRYER
Superintendent of this Sunday
School 1878-1919.
Born April 30th, 1847.
Died June 27th, 1919.
"Blessed are the dead which die
in the Lord from henceforth:
Yea, saith the Spirit, that they
may rest from their labours; and
their works do follow them."—
Rev. 14: 13.
Rev. S. R. Smith, of Philadelphia, a
life-long friend of the deceased, un-
veiled the tablet. In his address Dr.

THE FIRESIDE

Mrs. Carroll Downes has returned from her visit in Dover, Del.

B. T. White and family, of Dudley avenue, have removed from Narberth to South Carolina.

To see Donald Fail dancing in the Minstrels you would think he had small feet, but—

Miss Anne Jackson, of Wayne, will be the violin soloist at the Baptist Church on Sunday evening.

When Francis Lambert, another comedian of the Boy Scouts Minstrels, starts to sing, he fairly makes the windows rattle.

The entire musical service at the Baptist Church next Sunday evening will be most interesting. A special program has been arranged by the choir.

Mr. Turner, tenor, and Mr. Murdock, baritone, will sing "The Crucifix," by Faure, on Sunday evening at the Baptist Church.

Dick Odiorne, the Scout who can turn inside out and outside in when he dances, will take part in the Minstrels on the 28th.

The costumes for the Boy Scout Minstrels are all to be furnished by Van Horn, the costumer, of Philadelphia, who promises them to be the most unique you have ever seen.

The orchestra engaged for the Boy Scouts' Minstrel Show and Scout Play is one of the best jazz orchestras obtainable in Philadelphia. It will put "pep" in the evening's entertainment.

Our Town acknowledges with thanks receipt of a check from the Woman's Community Club of Narberth for \$35.00 in appreciation of the notices given in Our Town regarding their recent two-day fete.

Recently the Lower Merion School District drilled two wells on the high school grounds at Ardmore. One was drilled 300 feet down. Neither produced a sufficient quantity of water for practical purposes. The other day some contractors started excavating for a new garage on the same field. They got a few feet below the surface and struck several springs. The springs provide so much water—and trouble—that the contractors ask \$900 additional on their contract for the additional task of disposing of it.

An Afternoon With
Shakespeare

Was enjoyed by all who were fortunate enough to attend. The program was arranged by Mrs. Walker Leigh Owen and Mrs. Joseph Barclay.

Mrs. Owen's portrayal of Richard III was wonderful. The "wooing scene" was given, and both in the character of Richard III and Lady Anne there was nothing left to be desired. The tones and inflection of Mrs. Owen's voice and the facial expression was splendid, in showing the different characters. The costumes were gorgeous.

The court scene from the "Merchant of Venice" was given under Mrs. Owen's able direction, and the characters were splendidly portrayed by Mrs. Batchelor as Bassanio, Mrs. Kreamer as Antonio, Mrs. Barclay as Gratiano, Mrs. Davis as Shylock, and Mrs. Owen as Portia. The characters of the Duke and the Page were also good. Mrs. Owen deserves all credit for directing and costuming the cast. It was well worth admission. Let the good work go on.

A GUEST OF THE CLUB.

"MILES OF SMILES."

Saturday, May 22nd, 8.15 P. M., Rev. W. E. P. Haas, of Philadelphia, will give his humorous lecture entitled, "Miles of Smiles." Music will be furnished by the Semper Fidelis Orchestra. The entertainment is given under the auspices of the Ladies' Aid Society and cards of admission may be obtained from members of that organization or at the door of the church.

Sophomore Garden Party.

The Sophomore Class entertained the Faculty Tuesday afternoon on the lawn. By-gone school days were heralded by Florence Simpson, and the girls illustrated the sentiments by songs. Refreshments were daintily served.

The Senior Class will leave Narberth Thursday morning at 8 o'clock and motor to Harrisburg and Gettysburg, returning Sunday. They will be accompanied by Mrs. Custer, our School Secretary, Mr. Melchior and Mr. Durbin will accompany the party.

Scout Notes

On next Friday evening, May 28th, our Narberth Boy Scouts will give another of their delightful entertainments. Don't miss it.

The Scouts have been selling tickets for the past two weeks, but a number of people have put them off with the remark that "it was too early."

On Monday next they will canvass Narberth thoroughly for three days in an effort to sell enough tickets to enable them to go to the training camp the second week in August.

Remember, we have forty Scouts in Narberth, one of the largest troops on

Editorial

Notwithstanding the fact that the Boy Scouts of America is one of the largest organizations in the country, with a membership of half a million men and boys, but 350 of their leaders are paid officials. What better tribute could be paid a movement that is so fundamentally sound and so attractive that it can enlist the volunteer services of 100,000 busy men?

YOUR LIBERTY BOND.

The United States Government borrowed money from you to finance the War. You hold the Government's promise to pay you back. This promise is called a Liberty Bond or Victory Note. On this Bond is stated the conditions under which the Government borrowed the money from you.

For instance: If you hold a Bond of the Third Liberty Loan, it states that on April 15th and October 15th of each year until maturity, you will receive interest on the amount you paid for the Bond. Other issues bear other rates of interest and other maturity dates, all of which are clearly stated on the Bond.

Now, if you keep your Bond until the date when the Government pays you in full for it, you do not need to worry if, in the meantime, the price is low one day or high the next. You and Uncle Sam are living up to your agreement

with each other, and neither will lose by it.

On the other hand, if you sell your Liberty Bond now, you will find that the man you sell it to will not give you a dollar for every dollar you paid for it. The price has been brought down because so many people are offering to sell their Bonds. If the market is flooded with tomatoes, you can buy them cheap, but if everyone is clamoring for tomatoes and there are few to be had, the price goes up. The same is true of Liberty Bonds. Short-sighted people are dumping them on the market, and wise ones are buying them.

The best advice that can be given to the owner of a Liberty Bond is this: Hold the Bond you bought during the War; it is as safe and sound as the United States Government itself.

Buy as many more at the present low rate as you can afford. If you hold them to maturity, you are bound to make the difference between what they sell at now and their face value. You will also receive good interest on your investment.

Hold on to your Liberty Bonds and buy more.

UNITED SPANISH WAR VETERANS

A drive for new members is being made by this organization, composed exclusively of men who voluntarily served the nation in time of war.

Eligibility to active membership: Officers, soldiers and sailors of the Army, Navy or Marine Corps of the U. S. A., including acting assistant surgeons, contract doctors, dentists, and veterinary surgeons, all officers and enlisted men in the U. S. revenue cutter service on vessels temporarily under the control of the War or Navy Departments, paymasters, clerks who were actually on duty in the field or aboard ship who served at any time during the war between the United States and the Kingdom of Spain, or at any time during the war for the suppression of the insurrection in the Philippine Islands or at any time during the China relief expedition prior to July 4th, 1902, and who either have been honorably discharged from the service or still continue in the same, shall be eligible to active membership in the United Spanish War Veterans; provided, however, that no person shall be admitted to active membership who, upon investigation, is found to be of bad moral character or of low repute in the community in which he resides, or who having been honorably discharged from the service of the U. S. A., has re-entered the same and has subsequently received a discharge which is not honorable.

The cost of membership: The muster fee is two dollars, 75 cents for badge and 25 cents for button; total, three dollars, after which the dues are less than one cent per day.

The record of your past achievements is now history. The results thus accomplished gave this nation its place in the forefront of the great powers of the world, which position has been fortified by the noble sacrifices of our fellow citizens in the World War.

The honorable discharge which you possess is ample proof that you did your duty, and it is immaterial where the service was rendered. The fact that you offered your services to your country in time of war (every veteran eligible to membership in the United Spanish War Veterans served his country of his own free will), is ample proof of your patriotism. You were a volunteer, and you have a right to be proud of that service wherever rendered. No distinction is made between the men who saw active service on land or sea and those who were obliged to remain in various camps in the United States. The will to serve is paramount, and you will not be exalted or condemned because of a trick of fate, if you were not sent to the front, as you obeyed orders and "went where you were sent and stayed where you were put."

The principles of the United Spanish War Veterans are Freedom, Patriotism and Humanity. The time is ripe for the enlargement of our forces. You can be of great assistance to your comrades in spreading the gospel of Americanism, counteracting the doctrine of discord and destruction and in securing legislation for the best interests of the veteran and his dependents.

You are powerless to do anything of real value as an individual, but as an active unit in a cohesive body of several hundred thousand veterans you will wield a tremendous influence. Through the untiring efforts of the organization, the Congress of the United States passed an act providing a pension for the widows and minor children of Span-

ish war veterans. It also has extended the provisions of the disability Civil Service Act so that today the veteran of every war is entitled to preference, and the organization, under the able leadership of its Commander-in-Chief, was responsible for this law, and many other laws have been made to benefit the veterans.

A veteran or his wife or widow cannot be interred in a cemetery or cemetery plot used exclusively for the burial of poor persons deceased. In some States the sum of seventy-five dollars is allowed the relatives to defray funeral expense.

Relief of veterans and their families: Under this law no poor or indigent veteran nor any of his family, nor the families of comrades who may be deceased can be sent to any almshouse, but shall be relieved and provided for at their homes.

Both the National and State Governments provide for the placing of headstones on graves of deceased veterans. In a great many States this privilege is extended to the widow of the veteran.

Hospital service, allowing for the admission of veterans and their families in wards other than provided for the poor.

In addition other laws have been enacted, among which are: Permitting Sunday processions for funeral services. Forbidding unauthorized wearing of the United Spanish War Veterans' emblems. Its comradeship is more real and valuable than that of any other order, for it is a fraternity founded upon a common service to our country and a common suffering in defense of our flag. It affords you an opportunity to show the real Americanism, for it is a patriotic order whose qualification for membership is the only simple test of patriotism, "willingness to die for the honor of the nation." The only veteran organization composed exclusively of volunteers in the whole world.

The William P. Messenger Camp, United Spanish War Veterans, meets at Deitrich's Hall, northwest corner of Sixtieth street and Girard avenue, Philadelphia, the first Wednesday of each month.

A card addressed to Comrade D. Brownback, Narberth Post Office, will be the means of having a committee call upon you and explaining to you the pleasure of belonging to this great organization.

To the Editor of Our Town:

In view of the coming postal change from central boxes to home delivery, and the call to residents to provide boxes for their mail, it would be well for the authorities to tell us where these boxes can be obtained. Recent inquiry at a large department store, a hardware store and a stationery concern revealed no stock on hand. A clerk at the last named store said they had forgotten how prices ran.

Since the repeated advances in wages of carpenter, painter, etc., it is interesting to note how many of our residents are doing their own repairing, painting, papering and other jobs, besides working in their gardens.

CAMOLEN.

To the Editor of Our Town:

A series of atrocious and unprovoked murders on Narberth avenue have been shocking the north side community. Several beautiful and unoffending trees have been brutally cut down in the prime of the existence for which they were designed by a wise Creator. It may be that some part of their mission here was to preserve the spirit of inspiration and hope in those melancholy moments of doubt which at times darken the vista of perplexed humanity. The symbol of the tree perennially arraying itself in cloak of green and radiant splendor has served for many a sustaining sermon on resurrection. We look with mingled wonder and reverence on the patriarch redwoods of California which, as science proves, were already venerable in the year of the Master's birth.

Despite the indisputed accuracy of the scientific calendar our imagination falters in any effort to appreciate that over the heads of these monarchs of the forest more than five thousand years have rolled.

But, at least, we may conjecture that an endowment so noble in aspect and useful in service as a tree was not devised by the great Designer to be sac-

Letters to the Editor

(Continued from Page 2.)

rienced for the foolish gratification of a whim.

Human art in all its vaunted development of accomplishment has never succeeded in achieving any work so beautiful as a tree. It is the crowning masterpiece of that greatest of artists, Mother Nature, and still further surpasses the fumbling efforts of clumsy human hands and brains in the variety of its appeal. Setting apart the many and actual utilitarian necessities it provides, the tree generously lavishes freely the spiritual gifts that have made it beloved by children and poets who are the keen witted among humans. The eye is gladdened by its incomparable beauty of form; a symphony of rustling leaves soothes the attentive ear, while in the spring the air is filled with showers of rare perfume of fragrant blossoms.

These and other regretful thoughts have been in the minds of many north side residents as with genuine sorrow they have witnessed the utterly inexcusable slaughter of trees that for more than a score of years through storm of winter and drought of summer have been lending their beauty to dwellers and passers on Narberth avenue. The author of the outrage has earned any consolation that may follow a wilful desecration of a temple of nature.

The late Joyce Kilmer, one of our finest younger poets and one of the gallant American youth who sleeps in France, concluded a poem to a tree with these lines:

"Any fool may make a poem,
But only God can make a tree."

Fairview Union Sunday School

(Continued from Page 1.)

Smith touched upon the character and the life of the one who served Fairview so long and so faithfully, and in part said: "He was not a man whose name has gone down in history as being famous throughout the nation, but through his work here he has influenced the lives of the people of this community to nobler and greater deeds, and you have shown your appreciation by inscribing his name in bronze on that wall there."

The Fairview building, which is located on Fairview Road, near Summitt avenue, was completed in 1928, and ever since that time it has been a big factor in the spiritual uplift of Narberth and community. It was in that building where, not many years ago, the plans for the great Depper evangelistic campaign were formulated, and the Sunday School cherishes an unbroken record as a history maker.

Through the untiring efforts of its trustees, the building was recently repaired on the outside, and remodeled and repainted on the interior.

At present the officers of the school are: Luther C. Parsons, superintendent; Charles C. Schmidt, assistant superintendent; Owen B. Schmidt, secretary; Miss Anna Latch, treasurer; Eli P. Ewing, Samuel Markle, and D. W. B. Young, trustees.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
